

Black White

GR308

The practical and versatile **GRANITE 300** series can be used for both indoor and outdoor applications. The weather-resistant cabinets, molded of glass-reinforced polypropylene, can be easily installed around the house and throughout the garden. All models are available in black or white to suit any décor and can be wall or ceiling mounted using the included brackets.

The **GRANITE** series is recognized for its outstanding performance. Mica cone woofers with oversized magnets and hard polymer, weather-resistant dome tweeters ensure superior bass and crystal-clear, high frequencies.

MOUNTING BRACKET:
Adjustable mounting bracket permits easy installation anywhere.

BINDING POST MODELS:
GR305, GR306 and GR308 are fitted with five-way, gold-plated binding posts. Tapping adjustments are found on 70-volt models.

WEATHERPROOF:
Weatherproof sealed enclosure for four-season outdoor use. Rust-proof, durable galvanized steel grills are provided.

70 Volt transformer series

All models are available with an internal 70-volt transformer and external tap adjustment at 8 ohm or 70v at 5, 10, 15, 20, 25 and 30 watts. The black finish, 70-volt part numbers are **GR303T, GR305T, GR306T** and **GR308T**. (Add 'W' suffix for white finish).
