

## IW SERIES IN-WALL LOUSPEAKERS

**Omage** offers a wide variety of entry level in-wall, in-ceiling and center-channel, flush-mount loudspeakers for background music, hi-fi music and even home theater. Use them in kitchens, family rooms or anywhere in the house to replace regular floor-standing speakers.

The **Omage IW series** also has a long and proven record for outstanding performance and reliability in commercial applications, such as conference rooms, office and apartment lobbies, restaurant dining rooms, etc.

### AFFORDABLE AND CONVENIENT:

Great sounding music throughout the house is now an affordable option with the easy to install IW series.
