

OPUS-V

Omage puts reference loudspeakers within reach for Hi-Fi enthusiasts. The **OPUS-V** is a beautifully crafted speaker with real wood mahogany veneer and is available with an optional tailored base. Precisely matched, high-quality components expand the dynamic range, increase the transparency and develop great sound staging.

The **OPUS-V** delivers clean, detailed and “true-to-life” sound that will take your listening experience to a higher level.

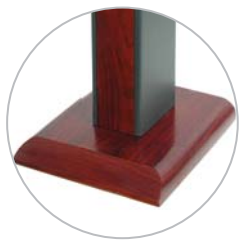

Mahogany

SCAN-SPEAK TWEETER:
The scan-speak dome tweeters, with their internationally acclaimed reputation, ensure a perfect balance and development of high frequencies so important to realistic sound reproduction.

MUSICALLY EXACTING :
6.5” Kevlar woofer is precision suspended within a heavy die cast metal basket and equipped with a large magnet to recreate extremely accurate sound.

TLS-V SPEAKER STANDS:
Engineered to complement the OPUS-V series, the matching TLS-V stands come factory-filled with acoustic sand to eliminate unwanted vibration. Held securely in position, the OPUS-V is elevated to its optimal performance height. Stand adjustments are easily made with the supplied leveling spikes that further reduce unwanted vibration.
