

Big Boom Subwoofers

Subwoofers

OMAGE®

BBF-215

For serious bass enthusiasts, **OMAGE** presents the **BBF-215**. A front-firing, 15" rubber suspended sub with twin, low-noise rear ports, the **BBF-215** is equipped with a 300-watt RMS low-heat, high-efficiency amplifier. The dynamics of a powerful amplifier, a large woofer, a high temperature-tolerant voice coil and a full-sized cabinet ensure not only big-time performance, but also full and rich sound, even at lower listening ranges.

Black

CABINET:

The cabinet is constructed of 1" thick MDF to enhance sonic purity.

OVERLOAD PROTECTION:

The **BBF-215** design features both dynamic overdrive and over-heating protection.

BBF-215

BBD-10

The **BBD-10** is the smallest 10" subwoofer in the **Big Boom** series. Measuring only 13" cubed, it is a down-firing, front-ported, fully-featured active subwoofer. The **BBD-10** gives you great performance and more boom for your buck!

BBD-10 back panel
