

wood - open + drawers

160V63-DM

160 - AUDIO/VIDEO

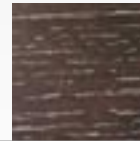

An outstanding esthetic places this stand above the competition. The thick, dark mahogany (DM) or black (N) coloured, **real wood veneer** panels are highlighted by a beautiful natural grain. The bold and well-defined 160V63 design is also very practical, three open cabinets and three easy-glide drawers make displaying and storing equipment simple.
