## 161 - AUDIO/VIDEO

161V79-DM

The 161V79 is an elegant high-end furniture piece designed to accommodate a wide range of TVs right up to 70 inches. The thick, dark mahogany (DM) coloured, **real wood veneer** panels are highlighted by a beautiful, natural grain. Convenient storage drawers frame a practical set of adjustable open equipment storage spaces situated in the center of the cabinet.
