170 SERIES - AUDIO/VIDEO

The Sonora 170 series is characterized by its dark glass shelves, black posts and graceful design. The 170 series stand feature tempered glass shelves, sleek aluminium posts and a convenient wire management system. Curved glass with smooth rounded edges makes this a very appealing entry level stand that will fit discreetly in any room.

CURVED GLASS

Smooth rounded angles create clean lines.

WIRE MANAGEMENT

Rear panel support hides unsightly wires.

EASY TO ASSEMBLE

Quick and easy to assemble.
