

wood - open + doors

S14M59N

S14 - AUDIO/VIDEO

The S14M59 is an attractive and practical audio/video credenza featuring open and closed storage cabinets. Wrapped in a sleek black hair line textured vinyl, this stand has dark tinted glass and wood doors to either end with an open cabinet at the center. Adjustable shelves and rear wire management will insure an easy and elegant equipment set up for all.

TWO CLOSED STORAGE CABINETS

Wood framed tinted glass doors conceal equipment.

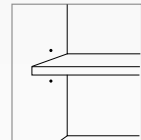

OPEN CENTRE STORAGE COMPARTMENT

Ideal centre speaker location.

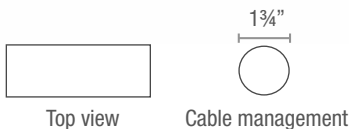

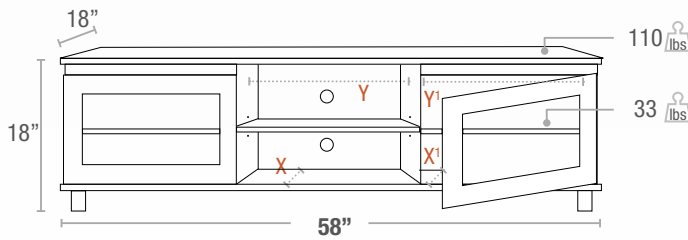

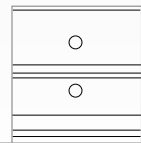

ADJUSTABLE SHELVES

All storage cabinets feature an adjustable shelf.

CABLE MANAGEMENT

Cable management is provided for each storage compartment.
