S55E - PEDESTAL SUPPORT

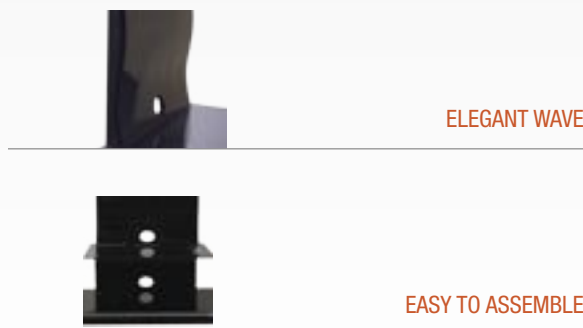

The S55EN pedestal support is born of popular demand. For all those who are looking to showcase their equipment in sleek style can now do so without touching the walls. The high gloss black lacquer wave shaped base elegantly supports a plasma or LCD while a single glass shelf can be used for either electronics or a center channel. The included TV bracket can securely hold TVs with VESA from 200 x 100 min. to 600 x 400 max. (with max. load bearing capacity of 110lbs.) at a very comfortable viewing height.
