## Metal and Glass

### 190 SERIES - AUDIO/VIDEO

The 190 series with its high-gloss metal frame and contoured glass brings opulence into any room. Uniquely shaped oval front posts and a corner wedge design are signature features of this series. The tempered glass is elegantly cut to contour the posts and the 45 degree wedge sides permit convenient corner placement. An adjustable middle shelf simplifies equipment placement and the wire management rear panel ensures a sleek wireless look.
