## Angled Speaker

Omage is pleased to introduce an angled cone speaker into the outstanding In-Performa series of custom speakers. The flush mount IPRD6.5A is designed to optimize sound when installed into areas with location restrictions. The internally angled cone along with an adjustable tweeter enables the speaker to project sound more directly toward the listener to enhance both music and movie performances. Designed with top-quality components, the Omage In-Performa series features woven Kevlar woofer cones, titanium bridge mounted tweeters, skillfully engineered crossovers and fine-tuning attenuation switches.

### IPRD6.5A

**WOVEN KEVLAR CONES**  
Develop a better defined bass and a more refined mid-range.

**BRIDGE MOUNTED ADJUSTABLE TWEETERS**  
Increase power handling and cone stability, while decreasing harmonic distortion. Omni directional swivel tweeters ensure preferred point listening.

**ADJUSTABLE SOUND**  
Optimize performance with front mounted attenuation switches and a 4 or 8 Ohm setting option.
